of the villagers, and the village servants. A very small village could be easily kept clean by the village servants while a large village would tax all their energies to clean up & yet remain dirty unless with considerable help from the villagers themselves. There are many villages in which the Patel & the Shanbhogue are at variance & each has his own following. In them one party will strive their utmost to prevent the Patel from securing the reward. Moreover no village could be said to be clean unless the houses are also clean. The few streets of a village are usually cleaner than the ill-ventilated & crowded houses, the cleaning up of which would devolve upon the owners and if the Patels are rewarded for it, the owners might present it or claim a share in it.

This is purely a local fund matter and the District Board concerned will have to provide funds by re-appropriation or otherwise from the District Fund Budgets. There seems therefore to be no necessity to consult the Comptroller on the subject.

Proposal of the President of the District Board, Bangalore District, to institute three prizes of Rs.7, 5 & 3 respectively in each Taluk to be awarded to the Patels of such of the villages as are kept most clean and tidy.

have been properly maintained everywhere.

With a view to induce the Patels to exert themselves in this direction, the President of the Bangalore District Board proposed the institution of 3 prizes of Rs7, 5 and 3 respectively in each taluk to be awarded every year to such of the Patels recommended by Amildars as having best exerted themselves to keep their villages clean and tidy.

Paper under disposal

The Presidents of the other District Boards and the Sanitary Commissioner were also consulted in the matter. The Presidents of the District Boards of Chitaldrug, Tumkur, Mysore, Hassan and Kadur are not in favour of the system of prizes, while those of the Kolar and Shimoga District Boards and the Sanitary Commissioner are in favour of the measure, the President of the Shimoga District Board being in favour of a tentative trial in the Shimoga Taluk alone.

Fixing the value of the prizes at Rs7, 5 and 3 respectively for each Taluk or Sub Taluk, the total cost of the scheme will amount

to ₹1,155 annually, as shown below:-

Bangalore District	-	-	₹150

Tumkur	"	-	- " 150
Mysore	"	-	- " 210

Shimoga	"	-	- " 135
Kadur	"	-	- " 90
Chitaldrug	"	-	- " 135
			₹1,155.

The necessary funds will have to be provided by the respective District Boards after the scheme is sanctioned.

The Councillors are of opinion that the proposal of the President of the Bangalore District Board is well conceived, and that the scheme may be sanctioned tentatively for a year, a report being submitted as to the result, at the end of the period, the entries in the Register prescribed by Government Order of the 4th February 1902 being made the basis for the award of prizes. I concur in this opinion and recommend that the proposal may be sanctioned tentatively for one year. The award of prizes is calculated to have the best possible effect in creating a spirit of emulation and thereby securing better attention being paid to the health of

the villages.

The suggestion of the First Councillor to direct the Jamabandi Officers to note in their Jamabandi reports the extent to which these Registers have been supplied to and maintained by the Patels, will be referred to the Revenue Commissioner for needful action being taken in the matter.
